Dear Mr. Newman;

I would like to invite you to participate with me at this year's ANA Convention Numismatic Theater, August 13, 1999 at 3: 00 PM in a numismatic literature round table discussion.

The participants will be;

Phil Carrigan, a noted Canadian numismatic literature collector;

Gordon Frost, a noted World numismatic and Treasure literature collector;

Dan Hamelberg, a noted collector of American numismatic literature;

Stuart Segan, long time Numismatic literature collector and Editor of Coin World Trends section.

This will be an excellent opportunity for you to ask questions and discuss, at this open roundtable, any area of numismatic literature of interest to you and to share with others.

By the way I will have table #1715 at the ANA Convention and look forward to meeting with you and sharing with you any information on your numismatic literature collecting areas that I can.

So please stop by at my table at any time and plan to attend Friday's Numismatic Theater at 3PM.

We are now accepting consignments for our 2nd Annual Numismatic Literature Public and Mail Bid Auction at the Chicago International Coin Fair (CICF) April 2000 which will include our normal exceptional selection of numismatic literature offerings. In addition we will include a Floor and Mail Bid Auction of non numismatic books relating to Latin America.

The selection of non numismatic Latin American material at CICF has been initiated due to the extremely favorable response to Dale's Latin American Numismatic Works sold at the April 1999 CICF and we anticipate another smashing success.

The offering will include the Dale Seppa collection of books on Latin American monetary affairs, history, economics, geography, legislation and other disciplines, as well as similar material from other individuals and libraries. We have had a good response from the people and libraries that we have contacted.

We are looking for additional consignments of suitable numismatic literature material that can be included in the catalogue for the important Chicago International Coin Fair.

Please contact me immediately for consignments or the purchase of your library.

As always, thank you for your continuing support, I really appreciate it.

Good Collecting,

Borny

Dear Remy:

It was nice for you to write me.

Pamphlets which I have or have not are hard to remember so I took many more than I needed to be sure of filling in. I am returning 8 of them under separate cover so I send you a check for \$33.33. These are common. Find something scarce for me.

Why don't you write me or let me know when you have unusual

things other than auction sales.

I need, for example, routine things like Mason's Coin Collector's Magazine, Volume 1, No. 5 (Oct 1884).

Thrive,

Eric P. Newman
